To All Democrats:

The undersigned were appointed by the National Democratic Committee as Auxiliary Finance Committee, for the City of Alexandria, and have received an urgent request that we call upon all Democrats to help the cause. Alexandria Democrats have thus far done nothing.

We, therefore, call upon every democrat in Alexandria and surrounding country to send us such contribution as he or she can, whether large or small.

Send something, if only a few cents, and show your interest. We will thankfully receive any aid whether \$100 or 10 cents.

Remember that this is a big country and that there are many close and doubtful states; and the National Committee must have large means to carry on a successful fight.

The Republicans have large interests that contribute to their overflowing treasury.

The Democrats must depend upon voluntary offerings, and mainly upon a great number of small ones, to make up their necessitous treasury. Send your contribution to any member of the Committee, and, whether it be large or small, please send at once.

It is greatly needed. This is a call to women as well as men.

Respectfully,
 J. K. M. Norton,
 Gardner L. Boothe,
 Charles Bendheim,
 William A. Sweeney,
 Howard W. Smith,
 Clinton Ballenger,
 Thomas L. Fisher., 240-8t.

NEWS OF THE DAY

Headed by the 24,000 ton White Star liner Adriatic with a \$7,000,000 cargo and 336 passengers, a flotilla of nine British merchantmen with munitions of war slipped out to sea last night.

On man was killed and more than twenty injured in rioting yesterday at Bayonne, N. J., incident to the strike of the Standard Oil workers. Many arrests were made. Some of the strikers were severely clubbed by the police.

The body of George Shaw, a resident of Riverdale, Md., and an employee of the Postoffice Department, in Washington, was found last night in Edmonston road, near Hyattsville, Md., with a bullet through the heart. The victim, who recently lost his wife had two minor children.

Two men were killed outright and sixteen others were injured when a Western Maryland excursion train en route to Hagerstown, Md., ran head-on into the work train in the Knobmount yards about 7:30 o'clock yesterday.

The Greek government has made public a long statement in which it submits under protest to the demands of the entente allies as presented by Vice Admiral Du Fournet, commander of the allied fleet. The entente tonight is reported preparing to grant recognition to the Green revolutionists.

"What is French shall stay French; what is Belgian shall stay Belgian, and what is German shall stay German: That is the main basis upon which the coming peace will be constructed." In the broadest speech dealing with peace delivered in the German Reichstag since the outbreak of the war, August Scheidemann, powerful Socialist leader, made the above statement yesterday continuing he said: "The chances for peace are poor today. Since Briand and Lloyd George talk war to the bitter end, the chancellor is unable to talk peace. But we are free to do so. All the nations want peace. If the contrary is said in any country then it is absolutely a swindle."

The British steamer Kingston, reported as among those torpedoed by a German submarine off Nantuxet last Sunday, is safe upon the high sea.

Employee of American Locomotive Works Gives Sister Credit for Health Returned.

Mr. Junius Jones, residing at 1331 Beverly Street, Richmond, Va., and an employee of the American Locomotive works gives his sister credit for his return to health. He said: "My cough was my principal trouble because spells during the night prevented me from getting any sleep, but along with this my appetite was poor and I felt pretty badly all over. Then I got a sore throat. My sister had been reading the advertisements and one day she brought home a bottle of this wonderful new medicine, Tanlac, which everyone seems to be talking about and praising to the skies. I haven't been troubled with that cough since. I can sleep all night now, my appetite is good, relish everything I eat and have regained my lost strength and am feeling fine. It is truly wonderful how it has helped me and I am telling all my friends what it will do for me."

This "Master Medicine", Tanlac for all stomach, liver and liver disorders is now on sale here by Leadbeater Drug Corporation, Alexandria, and G. T. Manlin, Falls Church, at one dollar per bottle.

Madras Curtain Materials In Sheer Weaves

Madras is one of the most effective Curtain Materials that can be offered. It is neatly plain or can be had in quite ornamental and decorative designs and weaves. The softness of the fabric makes it one of the best materials for draping than can be had. In durability it is surpassed by none.

Madras makes most attractive curtains for dining-rooms, living rooms, libraries, bedrooms and especially desirable for dens and men's rooms and for school and college rooms. Wears well launders well.
